Projek Opruim

ophelp.admin@straatwerk.org.za

Projek Opruim is a rehabilitation programme for un-employable or desperate persons with a focus on helping persons out of a life on the street.

Projek Opruim does not offer employment to anyone.

Willing persons rotate on a fair basis to participate in 4-hour shifts in order to earn cash in hand for honest hard work, as well as in all the other rehabilitative benefits offered by the Project.

How to get involved:

In order to participate, a person needs to be referred to the project by a sponsor who will pay for the first shift worked. From then on the participant will qualify for shifts in a process (called “the Q”) which strives to be fair to all participants. **SPONSORSHIPS ARE AVAILABLE FOR TRULY DESPERATE PERSONS** at our depot.

To arrange this first recruitment shift, please report to the supervisor at:

- **City Depot**, 141 Castle Street (above Rose Street), Bo-Kaap; or
 - **GSCID Cleaning Depot**, Durban Road Taxi Rank, Mowbray Interchange
- and bring the completed form (below).

(For more information, contact our operations admin office on 021 425 0140.)
